Spring Cleanup Information

Dear Marlboro Township Residents:

It is with great pride that we present to you the 2015 Township Recycling Calendar. Please take some time to go through the calendar and note the important dates and regulations that help our recycling program run smoothly. Recycling is not only environmentally responsible but affords the Township the opportunity to receive grants and rebates which ultimately improves services and reduces costs for residents.

Each year, the Township reports its recycling tonnage totals to the State of New Jersey. The more we recycle, the more funding we become eligible for. These grants fund paper shredding events, parks maintenance activities, roadway clean-ups, public school recycling assemblies, open space preservation and the Adopt-A-Site program. The Township is always looking for residents to take an active part in beautifying the community.

Through the Township's volunteer "Green Team", we continue to maintain our Sustainable Jersey Certification, a designation reserved for those towns which have a proven track record and commitment to environmental sustainability. The promotion of environmentally friendly initiatives remains one of our top priorities.

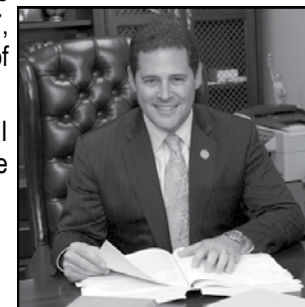

A common thread in all that we accomplish is the work of our volunteers. If you or a group wishes to adopt a site or participate on any Township committees, please call (732) 536-0188 for more information.

Changing weather patterns and extreme weather conditions over the past few years have had a significant effect on our leaf and brush removal programs, resulting in delays and raising public safety, stormwater and even snow removal concerns. With yard waste in the street nearly all year, we have also noted that landscapers and others are taking advantage of Marlboro's robust program, leaving material which may not even originate here to be removed on our taxpayers' dime. On a side note, I will add that seeing yard waste in our streets all year really diminishes the appearance of our neighborhoods. As promised, the program changes can be found in the calendar. The primary changes involve separating leaf from brush pickup and implementing new standards for placing brush at curbside. Please be mindful of the program rules outlined in the following pages in order to ensure that all materials are picked up in the most timely and cost effective manner and in compliance with the applicable laws.

On the subject of weather emergencies and preparedness, the 'Plan and Prepare' brochure can be found in the centerfold of this calendar. Please visit the "Communications for Residents" section on the Town Website to register for Facebook, Twitter, email blasts and register your home and cell phones for "reverse 911". These methods, in addition to channel 77, are utilized to publicize town programs, meetings and events and, in times of emergency, alert and inform residents.

I hope you find this calendar to be a useful resource. As always, I thank you for your commitment to recycling and keeping our community safe and beautiful.

Very Truly Yours,
Mayor Jonathan L. Hornik

Marlboro Township Council: Jeff Cantor, Frank LaRocca, Randi Marder, Carol Mazzola, Scott Metzger

CLEAN COMMUNITIES/RECYCLING

New Jersey Clean Communities has served as a source of financial support for Township programs since 1986. Specifically, program dollars have been utilized to offset the cost of recycling, park maintenance, road side cleanups, educational events and Community Pride Day. The Recycling Division Office also coordinates with volunteer groups to adopt and maintain areas of the Township. To engage your community group in an "adopt a site" initiative, call 732 536-0188.

DPW maintains all facilities including the Municipal Complex, the recycling yard, the Municipal Swim Club, Recreation Center, Public Library, Morganville Senior Center and all First Aid Squad facilities.

DPW in partnership with Monmouth County hosts paper shredding and recycling events.

When available, residents can bring a container and shovel to the recycling yard and take home composted material for the garden.

MARLBORO TOWNSHIP DEPARTMENT OF PUBLIC WORKS

Township Drive, Marlboro
732 536-0188
publicworks@marlboro-nj.gov

The Department of Public Works (DPW) is responsible for the maintenance of all public property including roadways and infrastructure. Among many functions, the Department manages the recycling, leaf, brush and bulk waste collection programs, is responsible for the upkeep of park and recreation facilities and the removal of snow from roadways.

The Township is divided into zones for purposes of scheduling and delivering services in the most efficient manner possible. On an annual basis, DPW publishes this calendar of services.

The Township provides numerous leaf and brush removal pickup dates, which means that debris is in or near our road and sidewalk areas during many months of the year. It is critical that all debris be placed for pickup in accordance with the published schedule and regulations of the Township. Leaves and brush must not be comingled. After the pickup period has passed and the streets have been cleaned, no additional debris may be placed curbside until the next scheduled pickup. Aside from detracting from the appearance of our Township, debris left in the streets impedes the flow of stormwater and exacerbates flood conditions. It causes traffic and safety hazards for pedestrians, bicyclists and motorists and interferes with snow removal during the winter months. Landscapers or residents placing debris for collection in an unauthorized manner shall be required to remove the waste from the public right of way.

During the winter months, with leaf and brush removal coinciding with snow and ice accumulation, schedules necessarily become weather dependent. Complicating matters, trucks used for leaf and brush removal are also used for snow and ice removal. For example, trucks outfitted with sanders to treat the roadways cannot be utilized for leaf and brush pickup. As such, there are several leaf and brush collection cycles noted in the calendars as “*Weather Permitting*”. Based upon weather conditions and forecasts, the Office of Emergency Management (OEM) will determine whether or not winter leaf and brush collections will proceed according to the schedule. Residents will be notified in advance via Township email and social media if a collection will be postponed, in which case no debris should be placed for collection.

Please visit www.marlboro-nj.gov and click on “Communications for Residents” to ensure that you receive the most up to date schedule information. We appreciate your cooperation in recycling and maintaining the appearance and safety of our community.

SNOW REMOVAL FACTS AND GUIDELINES

Snow removal activities are conducted by the Department of Public Works and private contractors. The following rules, facts and tips are offered so that DPW can safely and efficiently remove snow and ice from Township roadways:

Rules

- No debris (including leaves and brush), garbage cans or basketball hoops shall be placed in roadways. Anything left in the roadway during winter weather conditions impedes the Township's ability to clear the streets, increases the risk of damage to your property and jeopardizes the safety of the equipment operators.
- When snow is on the way, all vehicles must be removed from the roadways.
- Snow may not be shoveled, blown or plowed into the roadways.

Facts

- Marlboro is 32.5 square miles and DPW is responsible for clearing approximately 200 miles of roadway.
- Roads are generally treated with de-icing agents two times during one storm event, once prior to and once following snow removal.
- DPW will open the roads on the first pass and then plow curb-to-curb.
- In the event of 4 inches of snowfall, it takes approximately 10 hours to complete one circuit through the Township.

Tips

- **Wait until DPW has made one pass before clearing your driveway.**
- Parking vehicles in your driveway gives you less snow to remove and a drier surface.
- Arrange cars so that the first car that has to get out is the last parked in your driveway.
- When clearing snow, where possible, pile the snow to the right of the driveway (looking out to the street from your house).
- The United States Postal Service asks customers to clear enough snow from their mailboxes to allow mail trucks to approach the box, deliver the mail and drive away.
- Fire hydrants located on your property should be cleared of snow to prevent the lines from freezing and allow access in case of fire.
- To report a mailbox damaged during snow removal activities, please notify DPW via email publicworks@marlboro-nj.gov.

PLAN AND PREPARE

3 Steps To Safety

1. Get a Kit
2. Make a Plan
3. STAY INFORMED

Step 1. Get a Kit **EMERGENCY SUPPLIES FOR THE HOME**

- Three days' supply of canned, non-perishable, ready-to-eat FOOD
- Non-electric can opener
- Three days' supply of WATER (a total of three gallons per family member)
- Battery-operated RADIO and extra batteries
- FLASHLIGHT and extra batteries
- One week's prescription MEDICATIONS
- FIRST AID KIT
- Personal TOILETRIES
- INFANT care items
- Items for ELDERLY family members. For more info, see www.ready.gov/seniors
- Items for relatives with DISABILITIES
- CASH or TRAVELERS CHECKS
- Store important DOCUMENTS in a waterproof, safe location
- Keep your vehicle's gas level at a minimum of half-a-tank.
- Every family member must carry CONTACT INFORMATION:
- All phone numbers at work, school, etc. for every family member
- The name and number of a relative who lives out-of-state, to call in case your family gets separated

Step 2. Make a Plan **PLAN FOR YOURSELF, YOUR FAMILY, YOUR BUSINESS**

First, follow the easy-to-use instructions in "Your Family Emergency Plan," available from the American Red Cross. www.redcross.org/prepare

If you have Special Needs:

For more information for people with disabilities, older adults, caregivers and people with access and functional needs, register with your County OEM. Let them know of the assistance you might need during an evacuation or other emergency.

If you Do Not Own a Car or Cannot Drive:

Ask your County OEM or local Police Department for details on the evacuation plans for transit-dependent individuals. Make plans with a neighbor who does drive.

If you have Pets:

Disaster shelters do not generally accept pets. To prepare for your pet, go to www.ready.gov/caring-animals

If you want to do more: Learn what it means when Public Safety Officials order

Step 3. Stay Informed **STAY INFORMED OF POSSIBLE THREATS AND NEW INFORMATION**

It is important to know about the risks that may happen in your community, and to know whether an emergency is imminent or is already taking place.

- Contact your local OEM or American Red Cross Chapter. Ask which Types of Emergency are most likely in your area and how to prepare for each. <http://www.state.nj.us/njoem/plan/threats-emergencies.html>
- Learn about the warning methods that will be used in your community. (i.e. text, twitter, facebook, websites, reverse 911) and sign up for as many as your technology supports at <http://www.marlboro-nj.gov/> or <http://www.marlbropd.org/>
- Learn about the local radio and TV stations you should tune into for emergency alerts and official instructions.
- Learn about the disaster plans for your workplace, your children's school or Day Care, place of worship, etc.

your family gets separated.

- Whistle to signal for help
- Dust masks
- Moist towelettes
- Pliers to turn off utilities

For further advice, read "Your Family Disaster Supply Kit," available from the American Red Cross, and emergency supply list from FEMA. At www.redcross.org/prepare, and www.fema.gov/pdf/library/pfd.pdf
